**EMERGENCY INFORMATION (Convention Center):**

In the event there is an injured person, someone who needs medical attention, fire, or any other disturbance or emergency, please call the Convention Center Command Station at **215-418-4911** or find a house phone and dial extension **4911**. **Do not call 911!** The Command Station will contact the police or fire department and Show Management.

**EMERGENCY INFORMATION (Marriott):**

1. In case of Emergency, the phone extension in our facility that should be dialed is "0".
2. For security in our facility the phone extension that should be dialed is **6077** or **51**.
3. If a guest dials **911**, from a guest room or house phone in our facility, an alarm alerts in-house security and they will respond/contact the guest room and/or respond to the area from which the call was made.
