What can I expect from the 2021 Digital Convention?

Over the course of the week, attendees will be able to choose between daily educational sessions just like they would at an in-person convention, but now in a digital format. Sessions will be accompanied by interactive chat features allowing for conversation between peers and the session presenter. In addition to educational sessions, attendees will also be able to foster connections with fellow coaches through digital networking events, awards ceremonies, and wellness breaks.

Are the recordings available after the event?

Yes. Registered attendees will have access to Pathable until 2022, where you can view the session recordings. Also, the 50 session recordings will be added to attendees' United Soccer Coaches member profiles, which will give members access to the sessions for three (3) years.
