

I am writing because I would like to ask for financial assistance in the sum of \$199.00 to receive all session recordings from the 2021 United Soccer Coaches Digital Convention that took place January 11-15, 2021. Session recordings from the Digital Convention offer me the valuable opportunity to gain insight into current coaching trends and methodologies, furthering my coaching education and developing my skillset.

In addition to the 50+ session recordings, the price also covers access to the Digital Convention platform where I can network with other coaches and administrators. A huge benefit of this event is the sessions never expire, meaning I can watch and re-watch the sessions from my own home or office. I also have the ability to earn a United Soccer Coaches Professional Development Certificate.

The educational sessions will not only cover coaching topics, but will also provide information on how to enhance my knowledge related to player and team management, building a positive culture and fun environment, diversity and inclusion, current events in the game, and much more.

Below is a breakdown of what is included in the \$199.00 price:

- » Access to recordings of all 50+ education sessions, US Youth Workshop sessions, and awards receptions.
- » United Soccer Coaches Professional Development Certificate.
- » Unlimited access to the Digital Exhibit Hall.
- » Downloadable session plans [if provided by the presenter]
- » Ability to engage in conversations with fellow attendees, partners, sponsors, and exhibiting companies via the Digital Convention platform.

The knowledge I will gain from accessing the 2021 United Soccer Coaches Digital Convention will not only help me become a better coach and serve my players, but will also help our organization grow. I appreciate your consideration for this tremendous professional development opportunity.

Regards,
